

Leeds Heritage Theatres: Youth Forum

Are you aged 11-17? Are you passionate about the arts? Then get involved through Youth Forum!

This is a great way to get a sneak peek of our venues, meet friends, develop new skills and boost your CV.

What will I do?

Our Youth Forum will work together to share ideas about our three venues (see the logos above!) and how to entertain audiences of the future.

When is it?

Youth Forum sessions will run twice a month on the first and second Tuesday of the month after school. **We will do a poll with the youth forum to decide the timings of the sessions.** Meets will be a mixture of in person across our three venues and online.

What is it?

Work closely with the Learning & Engagement team to share your thoughts, have the opportunity to see some shows and be part of a creative team.

How do I apply?
